Verse 2

Led by the light of faith serenely beaming
With glowing hearts by his cradle we stand
So led by light of a star sweetly gleaming
Here came the wise men from Orient land
The King of kings lay thus in lowly manger
In all our trials born to be our friend
He knows our need, to our weakness is no stranger
Behold your King, before him lowly bend!
Behold your King, before him lowly bend!

Truly He taught us to love one another
His law is love and His Gospel is peace
Chains shall He break for the slave is our brother
And in His Name all oppression shall cease

Christ is the Lord! O praise His name forever!
His pow'r and glory evermore proclaim!
 G G/F C/E F C/G G C
His pow'r and glory evermore proclaim!
